PLAIN ENGLISH LEGAL WRITING WORKSHOP: CLEAR, CONCISE AND PERSUASIVE WRITING

FRIDAY, 21 MARCH 2025
6.00AM TO 8.00AM

\$305
253V24

As a lawyer, your ability to communicate with the written word is the key to your success. Join a practical skills-based session, led by a renowned expert in legal writing. In this interactive workshop, you will explore a range of best practice writing principles (and some "worst practice" ones as well!) to help ensure your documents — memoranda, reports, submissions, correspondence, emails, advices are models of clarity, persuasion and conciseness.

THE LAWYER AS A PROFESSIONAL COMMUNICATOR: TIPS ON CLEAR, CONCISE, PERSUASIVE AND READER- FOCUSED WRITING

An American legal scholar once unkindly observed that there are only two things wrong with most legal writing: one is its style; the other is its content. This workshop will give you the strong legal writing style that you need in your practice.

It does reinforce the key point that writing — indeed, strong writing — is a fundamental skill required of all lawyers.

In this interactive workshop, you will explore a range of best practice writing principles (and some "worst practice" ones as well!) to help ensure your documents — memoranda, reports, submissions, correspondence, emails, advices, whatever — are models of clarity, persuasion and conciseness. In the session you will explore:

- ✓ *The classical legal writing style: what it looks like, and why it doesn't always work*
- ✓ *Plain English writing for lawyers: what it is, and what it isn't*
- ✓ *The professional legal writing voice: myths and realities*
- ✓ *An international standard on plain language — including a soon-to-be-released standard on legal writing*
- ✓ *Email writing: the special challenges*
- ✓ *Clarity in advice writing: an ethical requirement*
- ✓ *Words, sentences and paragraphs: tips and techniques, including writing for persuasion*
- ✓ *Grammar and punctuation: problem areas for lawyers*

Presented by **Bob Milstein**, Principal, Milstein and Associates; Principal, Words and Beyond

BOB MILSTEIN

Bob Milstein is a practising lawyer, specialising in health law and also a plain English trainer and document writer. His background in health law – and in particular health care liability litigation – initially sparked his interest in the importance of clear and reader-focused communications. Bob has been running clear writing/plain English training for more than 18 years, and in that time has provided a range of training services to law firms, regulators, government, business, insurers, tribunals and researchers.

FRANCHISING CODE OF CONDUCT: BIG CHANGES IN 2025

TUESDAY, 25 MARCH 2025
6.00AM TO 8.15AM

\$305
WEB253N41

On 1 April 2025, the Franchising Code of Conduct will sunset if not remade.

A comprehensive review of the Code was undertaken in 2023, making 23 recommendations for change. In response, the Government has moved to implement a new Code, adopting 11 of these recommendations. The new Code keeps the same structure as the previous Code, but substantially re-writes (and re-numbers) many of its provisions.

Franchisors will welcome many changes, including simplified disclosure obligations, strengthened termination rights for serious breach, and "opt-out provisions" and removing regulatory requirements for renewing franchises.

Franchisees will welcome a new right to have a reasonable opportunity to make a return on their investment during the term of the agreement, a broader prohibition against restraints of trade in certain circumstances, an expanded right of compensation for early termination, expansion of disclosure obligations concerning "marketing funds" to apply to any "special purpose funds", a revised definition of "motor vehicle dealership", increased financial penalties for breach, and a new right for the Australian Small Business and Family Enterprise Ombudsman to "name and shame" franchisors who have not participated meaningfully in ADR.

These are significant forms which it will be important for all practitioners dealing with the franchise sector to understand.

Chair **Derek Minus**, Barrister, Mediation & Arbitration Chambers

SESSION 1: FRANCHISING CODE OF CONDUCT – EXPLAINED

In this session, our panel of experts, will provide a comprehensive overview of the recent changes to the Franchising Code of Conduct. They will break down the key amendments and explain their implications for both franchisors and franchisees.

Panelists

Josh Simons, Partner, Thomson Geer

Elizabeth Gore Jones, Founding Partner, The Franchise & Business Lawyers

Simone Pentis, Managing Partner, Advantage Partners Lawyers

SESSION 2: PREPARING FOR MEDIATION IN FRANCHISE DISPUTES

Dr Johnson will address the mental health impact of franchise disputes on all parties, franchisees, franchisors, and lawyers when conflicting "truths" arise in franchise agreements.

This session will explore how assumptions, often mistaken for facts, lead to unmet expectations and mutual blame that escalate disputes.

Katherine will discuss how mediation, as opposed to litigation, can empower each party by untangling perspectives and fostering understanding. Despite changes to the Franchising Code of Conduct, these core issues remain central to franchise disputes, making mediation a constructive approach to resolution.

Presented by **Dr Katherine Johnson**, Director, Unilegal Consulting
